

CPARD Community Action Plan

Actions You can Take to Ensure that Your Voice is Heard Regarding the State Hospital Redevelopment

- ✓ **Sign up for our e-mail and phone distribution list.** This will help keep you informed about Township meetings you can and should attend, the status of our case and the agreement. It will also allow you to give us input and feedback which we always appreciate.
- ✓ **Attend the Northville Township Board of Trustees meeting THIS TUHRSDAY, 10/16 at Township Hall.** The board will be voting on the \$17,000,000 Brownfield bond at this meeting and residents need to attend and have their voices heard.
- ✓ **Contact the Northville Township Supervisor, Manager, Clerk and Board of Trustees and let them know how you feel about the consent judgment and its contents.**
- ✓ **Spread the contents of the consent judgment to your friends and neighbors.** Many, many residents are unaware of the contents of the judgment and exactly what is going to happen on the site. We want them to know before they see the bulldozers.
- ✓ **Review the documents on www.cpard.org and encourage others to do the same.**
- ✓ **If you have the means, please support us by donating to our legal fund.** Litigation is expensive. If we win 100% of your donation will be refunded. If we lose excess funds will be prorated and returned. The fund pays for NOTHING other than legal fees.
